## 3. Early Termination Charge

When the Customer discontinues service under a Revenue Pricing Plan prior to the expiration of the commitment term, an Early Termination Charge will be assessed as follows.

If the Revenue Pricing Plan is discontinued prior to the completion of the first year of the contract term, the Customer is liable for 100% of the minimum monthly revenue commitment for the unexpired portion of the first year of the term, plus 50% of the minimum monthly revenue commitment for the remaining portion of the applicable term.

If the Revenue Pricing Plan is discontinued after completion of the first year of the contract term, the Customer is liable for 50% of the minimum monthly commitment for the remaining portion of the applicable term.

Early termination will not apply if the Customer enrolls in a new Revenue Pricing Plan with equal or greater revenue commitment and term commitment than the current plan.

Payment of the total amounts owed by the Customer under this provision is due as a lump sum within thirty (30) days of the date the plan is discontinued.

The Customer that migrates their service to a Verizon affiliate will not incur termination liability.
