LONG DISTANCE RESALE TARIFF

SECTION 2 - RULES AND REGULATIONS, (CONT'D.)

2.12 Restoration of Service

The use and restoration of Service shall be in accordance with the priority system specified in Part 64, Subpart D of the Rules of the Federal Communications Commission. When service has been discontinued for nonpayment, the Company may restore service as soon as reasonably possible upon receipt of payment of all outstanding charges and a service restoration fee of \$50.00.

2.13 Billing Arrangements

Customers will either be billed directly by the Company or its intermediary, or charges will be included in the Customers' regular telephone bills pursuant to billing and collection agreements established by the Company or its intermediary with the applicable telephone company. Company may refuse to complete calls made by persons who receive regular telephone bills from a telephone company where for economic, technical and/or operational reasons the Company or its intermediary does not have an effective billing and collection agreement. To determine when calls cannot be completed, according to the Company's records, call 1-800-531-0457.

2.14 Deposits

Company may require a Customer without established credit history to pay a sum up to an amount equal to two (2) months' estimated charges as a deposit. Such deposit will be held as a guarantee of the payment charges provided for herein. The fact that a deposit has been made in no way relieves the Customer from complying with the prompt payment of bills on presentation. At such time as service is terminated, the amount of the deposit will be credited to the Customer's account and any credit balance which may remain will be refunded. Such a deposit may be refunded or credited to the Customer at any time prior to termination of the service at the option of the Company.
