 REVISION: 3  
 SUPERSEDING REVISION: 2

#### **41. RETAIL ACCESS PROGRAM** (Cont'd)

#### G. NATURAL GAS SUPPLY REQUIREMENT (Cont'd)

##### Winter Bundled Sales (WBS) Service and Balancing Service Option (Cont'd)

(1) Winter Bundled Sales (WBS) Service Option (Cont'd)

Inside FERC Gas Market Report - First of Month Index for each month between April - October would be combined for the following trading points: 50% "Dawn Ontario" & 50% "TCPL Alberta, AECO" to produce a "blended index" for each month.

- (a) Individual months would be weighted by adding the following monthly values and dividing the total by six:

April Blended Index divided by two  
 May Blended Index  
 June Blended Index  
 July Blended Index  
 August Blended Index  
 September Blended Index  
 October Blended Index divided by two

- (b) The above commodity cost will be adjusted to include storage charges, firm transportation charges, including fuel, from the Canadian Index points to the Company's market area storage, and from the market area storage to the Company's city gates, and carrying charges on the cost of gas in storage.

(2) Balancing Service Option

Retail suppliers electing the balancing service option will be required to take assignment of additional capacity, Alternate Capacity Requirements or ACR, from the Company equal to the aggregated total amount of Storage Service demand determinants for all customers in their pool.

In addition to any payments that the Retail Supplier will make for such capacity, the Company will charge the Retail Supplier a monthly fee for balancing service as described in General Information Section 43.

##### Weather Normalization Adjustment

A Weather Normalization Adjustment, as defined in General Information, Section 27, shall be effective for all Service Classification Nos. 6, 12 and 13 heating customers and shall be applied to total gas usage during the period October 1 through May 31 of each year.

The Weather Normalization Adjustment shall be included in the Statement of Firm Gas Transportation Rates during the period October – May of each year.
