

PSC No: 120 - Electricity
New York State Electric & Gas Corporation
Initial Effective Date: January 1, 2010

Leaf No. 170
Revision: 8
Superseding Revision: 7

SERVICE CLASSIFICATION NO. 3 (Continued)

SPECIAL PROVISIONS: (Cont'd.)

(d) Economic Incentives: (Cont'd)

(8) Incremental Load Incentive ("ILI"):

Customers who qualify under the Incremental Load Incentive (ILI) in Section 19 of the General Information section may select one of the following rate options, as specified in this Service Classification and Section 25, Supply Service Options, for all of their load: 1) NYSEG Supply Service (NSS), 2) ESCO Supply Service (ESS), or 3) Hourly Pricing.

Such customers will receive the incentive for a term of 60 months. Such customers will be exempt from paying the Transition Charge. If it is determined that a bill calculated with the incentive exceeds a bill calculated under the otherwise applicable standard service classification rates, the customer will pay the lower of the two bills.

Customers transitioning from the Incubator Development Incentive will be phased in as follows:

Per kilowatt hour, for all qualified kilowatt-hours	Effective Date	
	01/01/2010	01/01/2011
	\$0.010	\$0.005

At any time during the phase in, an IDI customer may make a one-time election to receive the ILI discount on the qualified kilowatt-hours instead of the phase in. Once a customer had made this election, they will not be allowed to return to the phase in.

(e) Controlled Load Time-of-Use Service Option:

Customers who have a total connected load of at least 25 kW, with at least 12.5 kW of that load being newly installed controlled equipment, may choose to take their entire service under Service Classification No. 7 with Time-of-Use metering. Controlled Load equipment will include, but not be limited to, Electric Thermal Storage equipment (E.T.S.), Air Conditioning equipment, Water Heating or other Heating/Cooling installations which are designed to operate advantageously during off-peak hours as defined in Service Classification No. 7.
