4. MTS Prepaid Card Service (Cont'd)

b. Terms and Conditions

- (1) Customers may subscribe to the service by purchasing a prepaid card from the Company or an authorized representative. Charges for use of the Company's facilities will be deducted from the Customer's prepaid account balance as the card is used. Prepaid calling cards will be valid until the Customer's prepaid balance is completely depleted or until the expiration date displayed on the card, whichever occurs first. Callers receive a verbal notification stating the account balance each time the card is used.
- (2) Service is offered on a first come, first serve basis and may be subject to technical limitations. Service is provided to the holder of the card. All calls are charged against a prepaid calling card which has a sufficient balance to cover the amount of the call in process. Under some arrangements, callers may utilize a commercial credit card to increase a prepaid balance or renew the prepaid card. Failure of the card holder to maintain a positive balance or to input the authorization code of another valid prepaid calling card may result in the disconnection of a call in process; an announcement will advise the caller immediately prior to the disconnection of the call.
- (3) Rates and charges vary depending upon the arrangement selected by the Customer. Call duration will be measured in whole minute increments, unless otherwise specified. Credit for interruptions are limited to one minute; no other refunds, credit, or other remittances shall be permitted. All applicable state and federal taxes and fees, including, but not limited to, sales tax, gross receipts tax, municipal tax, and other similar assessments are the responsibility of the card holder. Such charges may be deducted from the Customer's prepaid calling card balance. Prepaid calling cards are provided at the unit prices and fees set forth herein. Under some arrangements, a separate fee or unit value may also be imposed by the distributor of the card.
