3.2.4 Q.COLLECT

A. Description

Q.Collect provides Qwest designated 8XX numbers to end users at educational, healthcare, and government facilities, and for special corporate or promotional applications, providing end users the ability to complete automated and live operator assisted telephone calls. End users process their calls through an automated call processor, charging such calls to a travel card; valid local telephone company issued card; or a major credit card. End users have the option to access a live operator if they wish to charge their calls to the destination number or a valid third party telephone number. 8XX numbers are unique to each entity as listed above and cannot be “shared” as common access.

1. Operator Surcharges – InterLATA/IntraLATA/Local
