SECTION 7 – DIRECTORY LISTINGS

7.1 Regulations (Cont'd)

6. Listings are regularly provided in connection with all classes of exchange service except public telephone service. A listing may be omitted from the directory upon request of a customer under the conditions specified in this tariff.
7. Street numbers, followed by the names of streets, will be used in identifying the location of the subscriber except when in the judgment of the Company names of buildings, apartment houses or communities serve as a better means of identification. Corner addresses will be used only where the street number is not available. The use of floor, room or suite numbers of buildings or apartment houses, or other such designation is not permitted.
8. Listings are not provided in connection with public telephone service except when the lists will facilitate the operations of the Company. No additional listings are permitted. Listings of Exchange Access Line Service used for the provision of Pay Telephone Service are pursuant to rules, regulations and charges for business listings.
9. If in the judgment of the Company, additional listings are warranted for better identification of the subscriber or governmental offices, such listings may be provided without charge.
