SECTION 17 – PRIMEPATH NBX

17.1 PrimePath NBX*

A) Description

PrimePath NBX is a central office-based analog communications service over loop-start facilities for a retail end-user. The service provides direct inward dialing capability without the requirement of CPE such as a key system or PBX, as well as outward calling capabilities. Service charges are billed on a monthly basis, and are based on the service area in which the Customer is located. Standard, Implemented and Optional features are listed below. Standard features are provisioned on all lines and Implemented features are provisioned on all lines and Implemented features may be chosen on a per line basis at no additional recurring cost. Optional features are available for an additional per-month charge and one-time installation charge. Monthly recurring and non-recurring line and feature charges are shown below. A minimum of 10 PrimePath NBX lines per main customer location is required.

- * PrimePath NBX is not available, either under this tariff section or through any TCG Contract Tariff or contract referencing this tariff section, to new or existing Customers who did not have it on order on or before May 1, 2004. Existing term plan Customers with contracts for PrimePath NBX in effect or on order prior to May 1, 2004, may continue under their existing terms and conditions and may move, add or change stations at their existing locations based on availability of existing facilities, but may not add new locations unless otherwise specified in their contracts. Customers with contracts that expired on or before May 1, 2004, will be placed on month-to-month tariff rates on June 30, 2006, subject to the termination schedule stated below. Customers with contracts that expired on or before May 1, 2004 will receive PrimePath NBX Service under the month-to-month tariff rates. Customers with contracts that expire before June 30, 2006, will be placed on month-to-month tariff rates upon the expiration of their existing contract, unless otherwise specified in the contract, subject to (and unless otherwise provided in) the termination schedule stated below. Customers with contracts that expire after June 30, 2006, will be allowed either to choose to keep their contract rate up to and including July 31, 2011, subject to the limitations on moves, additions, and changes described above, or to choose to change to a month-to-month rate, subject to the schedule stated below:

- 1) Customers with expired contracts will have until July 31, 2011 to migrate to a different service, as their service will be terminated on that date. There will be no contract renewals for customers with expired contracts or who have terminated service;
- 2) Customers with contracts that expire after December 15, 2007, will have until July 31, 2011 or their contract expiration date, whichever is later, to migrate to a different service, as their service will be terminated on that date;

Early termination penalties will be waived for PrimePath NBX customers wishing to terminate their PrimePath NBX service and migrate to a different service prior to their contract expiration.
