4. Ordering Service**4.2 Special Construction, Special Installation Work or Unreasonable Construction**

4.2.1 General	
A.	In any case where the furnishing of facilities involves special installation work or unreasonable construction, maintenance or replacement costs or expenses on the part of the Telephone Company, the subscriber may be required to pay an additional installation or construction charge, monthly charge, or both, based on the additional costs and expenses involved. The subscriber may also be required to pay additional charges for work performed outside of regular working hours at the request of the subscriber
1.	Where the Telephone Company furnishes a facility or service for which a rate or charge is not specified in the Telephone Company's tariffs, charges based on cost apply. Where such facilities or services are being furnished, the monthly charges are decreased by 2.05% for terminal and for non-terminal equipment, and 2.05% for mileage services.

4.2.2 Special Construction	
A.	A one-time engineering design charge (EDC) applies to each request for a special construction quote. The charge will apply whether or not the customer elects to proceed with the installation. If the customer elects to proceed with the installation, the labor rates applicable to the special construction will be offset by the EDC.
