## SECTION 2 - REGULATIONS

### 2.5 Payment Arrangements (Cont'd)

#### 2.5.8 Discontinuance of Service (Cont'd)

Upon the Customer filing for bankruptcy or reorganization or failing to discharge an involuntary petition therefor within the time permitted by law, the Company may immediately discontinue or suspend service under this tariff without incurring any liability.

Upon the Company's discontinuance of service to the Customer, the Company, in addition to all other remedies that may be available at law or in equity or under any other provision of this tariff, may declare all future monthly and other charges which would have been payable by the Customer during the remainder of the minimum term for which such services would have otherwise been provided to the Customer to be immediately due and payable (discounted to present value at 6%).

#### 2.5.9 Fractional Charges

When service does not begin on the first day of the month, or end on the last day of the month, the charge for the fraction of the month service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have thirty (30) days.

#### 2.5.10 Cancellation of Applications for Service

Service is installed and provided upon acceptance by the Company of its standard service contracts completed by the Customer.

Applications for service are non-cancelable unless the Company otherwise agrees. Where the Company permits the Customer to cancel an application for service prior to the start of service or prior to any special construction, no charges will be imposed except for those specified below.
