¹This Service is no longer available to new Customers or to existing Customers at new locations effective April 1, 2005

(A) General

- .1 High Volume Calling Connections I is a custom combination Flat Rate optional pricing plan. There are four Service offerings available under this optional calling plan. High Volume Outbound Calling Connections I is an outbound calling plan for Customers that utilize Switched Access to reach the long distance network. High Volume Toll Free Calling Connections I is a TFS for Customers that utilize Switched Access to receive calls from the long distance network. High Volume Dedicated Outbound Calling Connections I is an outbound calling plan for Customers that utilize Dedicated Access to reach the long distance network. High Volume Dedicated Toll Free Calling Connections I is a TFS for Customers that utilize Dedicated Access to receive calls from the long distance network. The Customer may subscribe to High Volume Calling Connections I for outbound Service only, TFS only or for both outbound and TFS.
- .2 See Section 3.6 of this Tariff for optional features, rules and regulations, and general information regarding TFS. Toll free calls may originate on any type of access and are terminated via Switched Access or DVA lines to the Customer's location. For Customers utilizing DVA facilities for TFS, High Volume Dedicated Toll Free Calling Connections I allows Customers with TFS Number(s) to terminate inbound calls to a Customer-designated DVA facility.
- .3 Customers subscribing to High Volume Toll Free Calling Connections I and/or High Volume Dedicated Toll Free Calling Connections I under a term plan arrangement may also subscribe to the Company's interstate CMR service which is an arrangement consisting of routing, control, and announcement features. A detailed description of the CMR service and the associated interstate usage charges and monthly recurring and non-recurring charges may be found in the Company's interstate Voice Product Reference and Pricing Guide at <http://www.att.com/servicepublications>
