| | .1 General | |
| | There are four feature billing options available to Customers that subscribe to AT&T Long Distance Enhanced Toll Free SM Services. For all available feature billing options, the usage charges, MRCs, and non-recurring charges apply as specified for the High Volume Calling Business Optional Calling Plan selected by the Customer. MRCs and NRCs for Toll Free Numbers apply as applicable. The following feature billing options are available to new and existing Customers of AT&T Long Distance Enhanced Toll Free SM Services | T |
| | .2 Combined Transport and Usage Billing ¹ (also known as CMR) | T |
| | ¹ This billing option is no longer available to new Customers effective June 22, 2005. | |
| | .a General | |
| | With Combined Transport and Usage Billing, the per minute usage charge associated with the High Volume Calling Business Optional Calling Plan selected by the Customer and the per minute feature charge are totaled and appear as one line item on the Customer's bill on a per call basis. The per minute feature charge is billed based on the length of time one or more features are activated on the TFS platform. The initial period and additional period for the feature per minute charge is the same as for the High Volume Calling Business Optional Calling Plan selected by the Customer. | |

¹ This Service is no longer available for new Customer term plan agreements effective July 9, 2007.
