SERVICE CLASSIFICATION NO. 1
PRIVATE LIGHTING - UNMETERED
COMPANY OWNED, COMPANY MAINTAINED

APPLICABLE TO USE OF SERVICE FOR:

Outdoor lighting of private areas other than public streets, highways and roadways, for individuals, private organizations and institutional establishments. Available only where suitable Company secondary distribution circuits are available or are made available as provided herein.

CHARACTER OF SERVICE:

Electric service is provided to Company owned, operated and maintained facilities at a designated service type, as defined below, by the customer.

A. Overhead Service (OH)

Reference General Information, Section IV.

B. Underground Service (UG) - CLOSED OFFERING

This underground electric lighting service is closed to new applicants or new installations for existing customers as of February 1, 2011. The Company will maintain service of existing installations to customers presently under this Character of Service. Reference General Information, Section IV.

APPLICATION FOR SERVICE:

Written application for service upon Form "PL" executed by customer or a duly authorized representative of the customer is required. The Form "PL" will list the specific facilities and quantities initially supplied and the applicable monthly charges. Such application, when accepted by Company, shall constitute an agreement between customer and Company, subject to the terms and conditions set forth in this service classification.

FACILITY CLASSIFICATIONS:

A designation assigned to all company owned facilities that define the customer availability of the offering and the associated degree of Company maintenance or replacement.

A. Standard Facility

A facility offering that is available to all customers for new and existing installations and which the Company will provide full maintenance service and in-kind replacement. The Company will attempt to supply standard facilities that have a consistent aesthetic appearance to existing operational facilities. The Company may use facilities that from time to time experience design or production modifications and/or the utilization of alternate manufacturers.
