New York PSC No. 3 - Telephone

Leaf 11
Revision: Original

Section 1 - Definitions and Terms (cont'd)

Private Number Service – Telephone numbers that are not listed in the telephone directory or provided via Directory Assistance.

Other Common Carrier – The term “other common carrier” denotes a specialized or other type of common carrier authorized by the Federal Communications Commission to provide domestic or international communications services.

Premises – The buildings, portion or portions of a building on continuous property used and/or occupied at one time by the customer as a residence. Where floor space in adjoining buildings is made continuous at one or more floor levels, all floor space in both buildings is considered as the same premises insofar as the customer who uses and occupies such continuous floor space is concerned, the two buildings otherwise being considered as separate buildings.

Preferred Interexchange Carrier (PIC) – A code that is assigned to an interexchange long distance carrier that identifies to whom the customer is presubscribed for intrastate and/or interstate long distance services.

Registered Terminal Equipment – Equipment registered in accordance with FCC regulations that may be connected to access services of the Telephone Company.

Residence Service – Telephone service furnished to customers when the actual or obvious use is for domestic “non-business” purposes

Services – The Telephone Company's regulated common carrier communications services provided under this Tariff.

Service Charge – The nonrecurring charge a customer is required to pay for establishing telephone service or subsequent modification of that service.

Slamming – is the unauthorized change of a subscriber's local exchange, intraLATA or interLATA telecommunications carrier.

Subscriber – The term “Customer” is synonymous with the term “subscriber”.

Supplemental Facilities or Service – Services or facilities other than primary service.

Switch – A unit of dial switching equipment that provides interconnection between station lines or trunks.

Tariff – The schedule of Local Exchange rates and charges, rules and regulations, terms and conditions adopted and filed by the Telephone Company and approved by the New York Public Service Commission.
