**1. Tariff Information**  
**1.2 Referencing**

<b>1.2.1 Reference to Other Tariffs</b>	
<b>A.</b>	Whenever reference is made in this tariff to other tariffs of the Telephone Company, the reference is to the tariffs in force as of the effective date of this tariff, and to amendments thereto and successive issues thereof. The regulations, rates and charges contained herein are in addition to the applicable regulations, rates and charges specified in other tariffs of the Telephone Company which may be referenced.
<b>B.</b>	PSC NY No. 900 provisions pertaining to special charges state that where the Telephone Company furnishes a facility or service for which a rate or charge is not specified in the Telephone Company's tariffs, charges based on cost apply. Those tariff provisions enable the Telephone Company to be responsive to the unique communications requirements of individual customers. Each of the Telephone Company's tariffs for specialized services (e.g., mobile, video and program) contains similar provisions.

<b>1.2.2 Trademarks and Service Marks</b>	
<b>A.</b>	Many of the designations used by the Telephone Company to distinguish its products and services are claimed as trademarks or service marks. Rather than printing a trademark symbol with every occurrence of a trademarked or service marked product name as it is used throughout this tariff, let it be stated that when using the names of the Telephone Company products and services herein, such use is in an editorial fashion. Following are the proper use names of the Telephone Company trademarks and service marks that are referred to herein in terms of product and service offerings.
<b>B. Registered Service Marks</b>	
1.	INTELLIPATH II® Service
<b>C. Registered Trademark/Service Marks</b>
