Section 7 - Long Distance Services (cont'd)

7.4. Long Distance Service – Residential Packages

7.4.1. Long Distance Unlimited Minutes Packages

A. General

The following packages are for residential, non-business use. The Company reserves the right to discontinue the use of packages for customer abuse (i.e. exceeding normal usage) or utilizing these packages for business purposes.

The Long Distance Unlimited Minutes Packages include Company basic local service, Company long distance and Company calling features. No substitutions within these packages are permitted.

The following packages may consist of regulated and non-regulated services (e.g. Voice Mail service is not under regulation by the Commission). Included services are offered where technically and operationally feasible and may not be available in all areas.

B. Long Distance Package – Unlimited Minutes (Stand Alone) \$ 44.99
per month

This package includes basic service for one primary line as well as the following features: Anonymous Call Rejection, Caller ID, Call Forwarding – Selective, Call Forwarding – Variable, Call Screening, Call Waiting with Caller ID, Call Waiting/Cancel Call Waiting, Custom Ring, Selective Call Acceptance and Speed Dial 8.

No feature substitution will be permitted for this package.

This package also includes unlimited minutes for interstate and intrastate calls. Interstate calls include calls within the Continental United States including Alaska, Hawaii, Canada and Puerto Rico. Intrastate calls include local and IntraLATA/InterLATA calls.

This package is not applicable to Additional lines. Individual Custom Calling features may be purchased at the individual rates for Additional lines.
