## SECTION 6-OPTIONAL CALLING PLANS

### 6.25 AT&T WEEKEND MINUTES PLAN (BLKBB)

#### 6.25.1 GENERAL

Customers of AT&T Consumer Telecommunications Services who are presubscribed to AT&T as their Primary Interexchange Carrier and are currently enrolled in this Plan will receive the benefits of this plan as follows.

This plan offers up to 1000 minutes of accumulated Dial Station usage made between 12:00 A.M. Saturday through 11:59 P.M. Sunday during a monthly billing period. The Customer may place as many eligible calls for each Customer Main Bill Account during a billing month to accumulate the time used. Unused minutes will not be carried over to the next month. Intrastate Dial Station calls not included in the 1000 weekend minutes will be rated at defined below.

All other types of calls are rated at basic rates unless the customer is enrolled in another AT&T plan that covers these other types of calls.

When the billing date does not coincide with the date that this plan is started, changed, or discontinued, the monthly recurring charge will be adjusted to reflect the fractional part of the month service is provided. Customers will receive up to 1000 minutes of domestic Direct Dialed calling in fractional billing months. For billing purposes, each month is considered to have 30 days.

This plan is not available to Customers subscribing to any other AT&T domestic Dial Station plan or promotion.

This plan's availability is limited to those Customers who enrolled in the AT&T Value Block Promotion, Option B, prior to November 22, 2000.

This plan is an add on to the interstate offer described in AT&T Consumer Service Guide.
