SECTION 6-OPTIONAL CALLING PLANS

6.33 AT&T UNLIMITED PLAN (BLKNP)

6.33.1 GENERAL

Customers must agree to receive a billing statement from AT&T for all their AT&T calls, and agree not to receive individual call details for any calls that are included in the unlimited calling portion of this plan, such as minutes of usage, time-of-day called, and originating or terminating points of call.

This plan is offered in conjunction with the AT&T interstate plan as specified in the AT&T Consumer Service Guide available at www.att.com/serviceguide/home.

The Customer upon written or verbal notice to AT&T may discontinue enrollment in this Plan. In addition, AT&T will discontinue a Customer's subscription to this Plan if the Customer no longer subscribes to AT&T as their Primary Interexchange Carrier. Discontinuance will be effective as of the date that AT&T's records show that the Customer no longer subscribes to AT&T as their Primary Interexchange Carrier.

If a customer notifies AT&T that he wants to withdraw from this Plan and subscribe to another AT&T plan, the newly selected AT&T plan will not become effective until the end of the customer's then current billing month.

A customer's AT&T free minute or AT&T bill credit offer or promotion will be terminated upon a customer's enrollment in this Plan. AT&T intrastate dial station calls are eligible for the plan rates.

Customers subscribed to this plan must pay a monthly recurring charge, as specified in the AT&T Consumer Service Guide. The monthly recurring charge will entitle the customer to unlimited direct dialed station interstate and intrastate long distance calls to residential telephone lines that are subscribed to AT&T as the Primary Interexchange Carrier.
