## SECTION 6-OPTIONAL CALLING PLANS

### 6.33 AT&T UNLIMITED PLAN (BLKNP) (CONT'D)

#### 6.33.3 AVAILABILITY (Cont'd)

All other types of calls are rated at basic rates unless the customer is enrolled in another AT&T plan that covers these other types of calls.

Customers who agree to receive and review their bill on-line via the Internet must choose to have their monthly long distances charges: 1) automatically charged to a valid commercial credit card accepted by AT&T, 2) automatically debited to their personal checking account each month, or 3) paid via an authorized third-party online bill payer accepted by AT&T. Customers can enroll in only one pricing plan for AT&T direct dialed station intrastate and interstate calls per residential telephone account unless AT&T states otherwise.

Customers agree not to make calls under this plan for a commercial use, including without limitation, commercial facsimile purposes, telemarketing, or through an auto-dialer program. Upon AT&T's determination of such prohibited use, AT&T may immediately suspend, restrict, or cancel a customer's service without advance notice, and AT&T may exclude terminating telephone lines from the unlimited calling portion of this plan.

This plan is available to residential customers in the geographical areas where AT&T determines in its reasonable discretion that billing and technical capability exists.
