6.38 AT&T UNLIMITED PLUS PLAN (BLKAB BLKCH)

6.38.1 GENERAL

This plan offers customers unlimited residential voice direct dialed station state-to-state and in-state long distance minutes.

To participate in this plan, customer must currently have, or choose AT&T as their Primary Long Distance Carrier, enroll in this plan by doing one of the following:

- Complete and return a written subscription form to AT&T.
- Call a designated AT&T 800 number to subscribe.
- Subscribe during a marketing contact with AT&T.

This plan includes AT&T direct dialed station state-to-state and in-state long distance calls that are made from customer's home, billed to customer's main residential telephone account, and made without using an AT&T Operator or an AT&T automated call processing system.

All other types of calls are rated at basic rates unless the customer is enrolled in another AT&T plan that covers these other types of calls.

This plan provides unlimited minutes of direct dialed 1+ state-to-state and in-state long distance calling for residential voice service only. If it is determined that usage is not consistent with residential voice applications, such as for Internet access services, commercial facsimile or auto-dialing, call forwarding, three-way calling, resale, telemarketing or other non-residential uses, AT&T may immediately suspend, restrict or cancel service without prior notice.

AT&T will provide this plan in locations where billing and technical resources are available. This offer is an add on to the interstate plan. Additional terms and conditions can be located at <http://serviceguide.att.com/ACS>.
