#### 3.2.4 RECORDING OF TWO-WAY TELEPHONE CONVERSATIONS

Private line services are not represented as adapted to the recording of two-way telephone conversations. #### 3.2.5 VIOLATION OF REGULATIONS

When any terminal equipment or communications system is used with Private Line Services in violation of any of the provisions in this Paragraph, the Company will take such immediate action, including disconnection of the service, as necessary for the protection of the telecommunications network and Company employees, and will promptly notify the Customer of the violation. The Customer shall discontinue such use of the terminal equipment or communications system or correct the violation and shall confirm in writing to the Company within 10 days following the receipt of written notice from the Company, that such use has ceased or that the violation has been corrected. Failure of the Customer to discontinue such use or to correct the violation and to give the required written confirmation to the Company within the time stated above shall result in suspension of the Customer's service until such time as the Customer complies with the provisions of this Tariff.
