SECTION 5-MESSAGE TELECOMMUNICATIONS SERVICE (MTS)

5.3 AT&T LONG DISTANCE SERVICE (Cont'd)

5.3.1 CLASSES OF SERVICE (CONT'D)

B. Operator Assisted

3. Person-to-Person

Person-to-Person rates apply when the person originating the call specifies the particular party to be reached by the Company Operator, except person to person calls rated on a Real Time basis. The specified party may be a person, or a station, department, extension or office through a PBX attendant. Different rates may apply when Person-to-Person calls are billed to an AT&T CIID/891 card.

After the called station has been reached, if the called party is unavailable and the calling party requests or agrees to speak to a party other than the party initially specified, the call is still billed as a Person-to-Person call. The calling party is responsible for identifying the party at the called station.

The Person-to-Person rates also apply to those calls for which the calling party requests a Company Operator to make arrangements with a called party to establish a call at a specified time or to arrange for messenger service.

4. Real Time Rated-Operator Station/Person-to-Person

Real Time Rated rates apply to calls for which the Company furnishes time and/or charges. Different rates may apply when Real Time Rated calls are billed to an AT&T CIID/891 card.
