SECTION 6-OPTIONAL CALLING PLANS

6.10 AT&T ONE RATE® ON-LINE (CPME1-4)
(formerly known as AT&T Electronic Billing Calling Plan)

6.10.1 GENERAL

To participate in this plan, Customers must be presubscribed to AT&T as their Primary Interexchange Carrier and be enrolled in this plan.

Customers' eligible intrastate Direct Dialed calls will be rated, per minute of use, as described in the AT&T One Rate Plus Plan, all day, seven days a week.

This offer is an add on to the Interstate offer referenced in AT&T's Consumer Service Guide at www.att.com/serviceguide/home.

The duration of a call that involves a fractional part of a minute will be rounded up to the next higher full minute.

Customers placing Calling Card Calls and/or Operator-handled calls will be rated using the basic rates.

Upon enrollment in this plan, Customers must designate to AT&T a valid commercial credit/debit card accepted by AT&T through which they will be billed. All AT&T Residential long distances charges will be automatically billed to the Customer's commercial credit card. Customers will receive and review billing details on-line via the Internet.

This plan is available where billing capability exists.
