Section 6
Leaf No. 20
Revision: 0
Superseding Revision:

SECTION 6-OPTIONAL CALLING PLANS

6.12 AT&T PERSONAL NETWORK PLAN (CPMP1-CPMP6) (Cont'd)

6.12.2 RATES AND CHARGES (Cont'd)

Currently enrolled consumer customers subscribed to Unlimited Weekend Calling, as described in AT&T's Consumer Service guide, will continue to receive the benefits of this option. The Unlimited Weekend Calling option allows Customers to make Interstate and Intrastate Dial Station Calls all day Saturday and all day Sunday at no additional per minute charge on an unlimited basis up to 1000 minutes per month. Effective July 1, 1999, intrastate weekend minutes that exceed 1000 combined Interstate and Intrastate Dial Station minutes in a billing month will be rated at the Intrastate Dial station weekend rates specified in the Rate Schedule described in Section 1 of this tariff for Intrastate Dial Station calls. Prior to July 1, 1999, weekend minutes will not incur a per minute rate.

All other types of calls are rated at basic rates unless the customer is enrolled in another AT&T plan that covers these other types of calls. Public Payphone Surcharge will be waived for eligible AT&T CIID/891 Card Calls placed at a public payphone.

The Customer upon written or verbal notice to AT&T may discontinue enrollment in this plan. In addition, AT&T will discontinue a Customer's subscription to the plan when AT&T is notified that the Customer has changed their primary interexchange carrier to a carrier other than AT&T after the Customer subscribed to this plan. Discontinuance will be effective as of the date the Customer changed their primary interexchange carrier.

Usage from conference calls, 900 Services, calls to Directory Assistance, Calling Card calls not billed to the Customer's Main Billed Account, calls billed to a LEC Calling Card, Operator Handled calls, mobile or marine are excluded from this plan.

Enrollment in this plan is not available to Customers whose AT&T Main Billed Account is 31 days or more in arrears. This plan is not available to Customers subscribing to any other Optional Calling Plans and Discounts. This plan is available to AT&T Residential Customers where billing capabilities exist.
