SECTION 6-OPTIONAL CALLING PLANS

6.8 AT&T ONE RATE® CALLING CARD PLAN (CPMC1 CPMC2)

6.8.1 GENERAL

Customers of Consumer Telecommunications Services can subscribe to this plan.

AT&T intrastate Customer Dialed/Automated AT&T Calling Card calls placed via 1-800-CALLATT (or other specific numbers so designated by AT&T) and billed to the Customer's Main Billed Account are included in this plan.

Eligible Card calls will be rated using the rates and charges as specified in below all day, seven days a week. These Card calls will not be further discounted by any other AT&T plan or promotion unless explicitly stated otherwise.

Eligible Card calls will also be excluded when determining what discount level a Customer qualifies for when subscribed to certain plans. The Public Payphone Surcharge applies to the Eligible Card calls when they are placed from a public or semi-public payphone.

The Customer's Dial Station calls will be rated according to the specific rate plan or promotional offer that the Customer has selected. The Customer's non-eligible Card calls and Operator-Handled calls will also be rated according to the specific rate plan or promotional offer that the Customer has selected.

This offer is an add-on to the interstate offer defined in AT&T's Consumer Service Guide located at www.att.com/serviceguide/home.
