SECTION 6-OPTIONAL CALLING PLANS

6.41 AT&T UNLIMITED SUNDAYS PLAN (BLKJD)

6.41.1 GENERAL

This plan offers customers unlimited residential voice direct dialed station state-to-state and in-state long distance minutes of calling made on Sundays. A minute rate is applied to all direct dialed station state-to-state and in-state long distance minutes 24 hours a day, everyday except Sundays.

Customers must currently have, or choose AT&T as their Primary Long Distance Carrier and enroll in this plan by completing and returning a written subscription form to AT&T, or by calling a designated AT&T 800 number or by subscribing during a marketing contact with AT&T.

This plan includes AT&T direct dialed station state-to-state and in-state long distance calls that are made from the customer's home, billed to the customer's main residential telephone account, and made without using an AT&T Operator or an AT&T automated call processing system. All other types of calls are rated at basic rates unless you are enrolled in another AT&T plan that covers these other types of calls.

If, at time of enrollment in this plan, the customer selected AT&T as their primary carrier for intraLATA toll calls (also referred to as "local toll calls" or "regional toll calls"), the customer's intraLATA toll calls will be included under this plan once their local telephone company has processed their AT&T IntraLATA toll subscription. If, for any reason, a selection of AT&T for the customer's primary carrier for intraLATA toll calls is not made or implemented, the customer's monthly charge for this plan will still apply.

This plan, as specified in the AT&T Consumer Service Guide located at www.att.com/serviceguide/home, includes unlimited Sunday direct dialed station state-to-state and in-state long distance minutes each month.

6.41.2 RATES AND CHARGES

AT&T will rate eligible direct dialed station state-to-state and in-state long distance calls at Max rate of \$.14 a minute, 24 hours a day, everyday except Sunday.

AT&T will provide this plan in locations where billing and technical resources are available. This offer is an add on to the interstate offer.
