2.7.2 CANCELLATION OR CHANGE OF APPLICATION PRIOR TO ESTABLISHMENT OF SERVICE (Cont'd)

When a Subscriber requests a change in the location of all or a part of the facilities covered by the Subscriber's application prior to completion of the construction and installation thereof, the Subscriber is required to pay to the Company, upon demand, the difference between the total costs and expenses incurred by the Company in completing the construction and installation and that which would have been incurred had the final location of facilities been specified initially in the application.

When an application is cancelled in whole or in part after completion of the construction and installation but prior to the establishment of service the Subscriber is required to pay to the Company, upon demand, the applicable minimum and termination charges specified in the Company Tariffs and the applicable connection and construction charges.
