## SECTION 2-GENERAL REGULATIONS

### 2.8 PAYMENTS AND TERMINATION OF SERVICE

#### 2.8.1 ADVANCE PAYMENTS

Any Applicant for facilities or service, whose financial responsibility is not established to the satisfaction of the Company, may be required to pay in advance the service connection and installation charges and at least one month's rental.

Applicants for facilities or service to which construction charges are applicable may be required to prepay the monthly payments for such construction charges, the amount of such prepayment to be computed as provided in Paragraph 2.3.2 of this Tariff.

Residential customers will be offered an installment payment plan for such charges over a period of up to one year.

#### 2.8.2 DEPOSITS

Subject to the special provisions for Residential Customers, set forth below, any Applicant or Subscriber, whose financial responsibility is not established to the satisfaction of the Company, may be required to deposit a sum up to an amount equal to the total of the estimated charges for two months for the facilities and service, except as provided in Paragraph 2.8.3 following for deposits in connection with Election Service. The fact that a deposit has been made shall in no way relieve the Applicant or Subscriber from complying with the Tariff regulations for advance payments and for the prompt payment of bills on presentation.
