SECTION 1 - GENERAL INFORMATION

1.5 APPLICATION OF TARIFF

1.5.1 General

- A. This tariff contains the regulations and rates applicable to Private Line Local Channel Services furnished within a LATA for intrastate communications between points in different LATAs or through connection with other Private Line Local Channel Services, Private Line Services, or Customer-provided communications systems.

Private Line Local Channel Services are furnished:

- to connect Customer premises to AT&T central offices for use with Private Line Services furnished under Tariff P.S.C. No. 25, or
- to provide an access coordination function(s) on channels provided by the Customer which are the equivalent of those offered herein.

Private Line Local Channel Services are furnished by means of wire, radio, fiber optics or any suitable technology or combination of technologies.

- B. Private Line Local Channel Services are provided by AT&T Communications of New York, Inc. (herein referred to as "AT&T Communications" or "AT&T").

Effective July 31, 2001 all references herein to AT&T FCC Tariffs, insofar as the service offering set forth in the AT&T FCC tariffs have been or become detariffed, shall be construed to be references to the AT&T Business Services Guides located at <http://www.att.com/serviceguide/business>.

- 1.5.2 Jurisdiction - Jurisdiction refers to the classification of a local channel service as intrastate (subject to the jurisdiction of the New York State Public Service Commission) or as interstate (subject to the jurisdiction of the Federal Communications Commission).
