Superseding Revision:

SECTION 7 - ACCUNET T1.5 SERVICE

7.1 GENERAL (Cont'd)

7.1.7 Fixed Rate IOC Plans - One, two, three, four and five-year discounted fixed rate plans are also available as alternatives to conventional monthly rates for the IOC component of ACCUNET T1.5 Service. Under the discounted fixed rate plan, the percentage discount off the rates under the monthly rate plan will be fixed throughout the commitment period. If the rates under the monthly rate plan change during the commitment period, the discount will be taken off the lower rate.

A. Discontinuance of a Fixed Rate IOC Plan Without Liability - The Customer may discontinue an ACCUNET T1.5 IOC furnished under a fixed rate plan prior to the expiration of the applicable term without liability under any of the following conditions:

1. If tariff revisions increase the applicable fixed rate before the applicable term expires.
2. If the fixed rates are reduced before the applicable term expires and the Customer enters a new agreement at the lower rates. The expiration date of the new plan must be on or after the expiration date of the unexpired term.

B. Discontinuance of a Fixed Rate IOC Plan With Liability - Discontinuance of a service furnished under a fixed rate plan for reasons other than stated in 7.1.7.A above, prior to the expiration of the applicable term, will result in Customer liability as specified below:

1. For service discontinued prior to the completion of the first year of service, the Customer is liable for 100 percent of the total monthly charges for the unexpired portion of the first year of service plus 50 percent of the total monthly charges for the remaining portion of the applicable term.
