SECTION 10 - DATAPHONE DIGITAL SERVICES

10.1 GENERAL (Cont'd)

10.1.2 Regulations (Cont'd)

- C. Connection to Other Services - When a DATAPHONE Digital Service is connected to other services as indicated in the following, the design objective applies only to the DATAPHONE Digital Service.

1. Voice Grade Services - A Voice Grade Service used for the transmission of analog data at 2.4 kbps, 4.8 kbps or 9.6 kbps may be connected to a DATAPHONE Digital Service through a Voice Grade Analog/Digital Converter (see Voice Grade Analog/Digital Converter, Section 12.2.1). The appropriate central office connections are also required.

10.1.3 Minimum Payment Period - The minimum payment period for DATAPHONE Digital Service components is one month.

10.1.4 Notice of Discontinuance - The Notice of Discontinuance for all DATAPHONE Digital Service components is 15 days. Recurring charges apply for a period of 15 days from the date AT&T receives the discontinuance notice or until the requested discontinuance date, whichever is later. During this period, the charges will continue to apply whether or not the Customer continues to use the service.
