## SECTION 10 - DATAPHONE DIGITAL SERVICES

### 10.2 SERVICE COMPONENTS AND RATES (Cont'd)

#### 10.2.4 Multiservice Volume Pricing Plan (Cont'd)

##### B. MSVPP Commitment and Plan Flexibility (Cont'd)

1. AT&T reduces the applicable rates for one or more of the services included in the MSVPP.
2. The Customer replaces one service with another service of equal or greater transmission speed that may be included in the MSVPP, e.g., ASDS 56 Kbps for ACCUNET T1.5.
3. The Customer enters into a new plan for replacement services and the expiration date of the new plan is on or after the expiration date of the MSVPP.

The actual billing in each month will be the sum of the fixed and mileage sensitive charges associated with the interoffice channel, and the monthly charges for all other service components included in the MSVPP less the appropriate discount. If the sum of the charges falls below the minimum monthly revenue commitment, the actual billing will be the minimum monthly commitment revenue less the appropriate discount(s) applied to the actual charges for each service.

##### C. Discontinuance of a MSVPP-Without Liability - The Customer may discontinue a MSVPP at any time during the life of the plan without liability under the following condition:

1. The Customer enters into a replacement plan for other AT&T services or a new MSVPP, either of which has an equal or greater revenue commitment, provided the expiration date of the new plan is on or after the expiration date of the unexpired plan.
