## SECTION 9 - ACCUNET SPECTRUM OF DIGITAL SERVICES

### 9.3 SELECT SAVING PLAN

Select Savings plans with terms from one to five years are available as an alternative to conventional monthly rates for ASDS Interoffice Channels (IOCs) and service components. In exchange for a term commitment on each individual service, the Customer is given monthly rates that are discounted for the duration of the term. Rates may change from time to time however, the discount levels applied will not change during the term of the plan.

Components disconnected from a service under a plan will not affect the discount of the remaining portion of the service.

Non-recurring charges will not be discounted. When a Customer requests service, the non-recurring charges will be applied based on the rates in effect on the date that the service order is completed by AT&T.

#### 9.3.1 Select Savings Plan Structure

A select saving plan will include all ASDS service components with the exception of Signaling Capability and Transfer Arrangements.

The plan will be available in one month increments from twelve months (one year) through sixty months (five years). The discount is fixed for the life of a plan. Monthly rates for all months will be discounted based on the term commitment as follows:

<u>Term Commitment</u>	<u>Discount</u>
12 - 23 Months	10%
24 - 35 Months	12%
36 - 60 Months	14%
