## SECTION 1 - GENERAL REGULATIONS

### 2.8 VIOLATION OF REGULATIONS

2.8.1 General - AT&T may take immediate action to protect its local channel services or interests when certain regulations contained in this tariff are violated. The specific regulations involved and the action which will be taken by AT&T are as specified in 2.8.2 and 2.8.3 following.

2.8.2 Interference, Impairment or Improper Use - AT&T will take immediate action to temporarily suspend a local channel service when a Customer violation of Section 2.2, preceding, results in any of the following:

- Subjects installation/maintenance personnel or the public to hazardous conditions,
- Circumvents AT&T's ability to charge for its services, or
- Results in immediate harm to the local channel service or other AT&T service.

In such cases, AT&T will make reasonable efforts to give the Customer prior notice before temporarily suspending service.

If the Customer fails to comply with Section 2.2 preceding, AT&T may, on ten (10) days' written notice by certified U.S. mail to the Customer, deny requests for additional local channel services and/or temporarily suspend the local channel service to the noncomplying Customer. If AT&T does not deny or temporarily suspend the local channel service(s) involved on the tenth (10) day of notice, and the Customer noncompliance continues, nothing contained herein shall preclude AT&T's right to temporarily suspend the local channel service or deny requests for additional local channel services without further notice.

When a violation results in the temporary suspension or denial of a local channel service, these restrictions will be removed when the Customer is in compliance with the regulations and so advises AT&T.

2.8.3 Nonpayment of Charges - AT&T may disconnect a local channel service or deny requests for additional local channel service for nonpayment of any charges due as specified in Section 2.5.4 (Payment of Charges) preceding. A written notice will be sent to the Customer at least ten (10) days in advance of the disconnect or denial of additional local channel services. Upon payment of charges, the denial of additional service will be removed.
