## SECTION 13 - ADDITIONAL ADMINISTRATIVE AND OPERATIONAL FUNCTIONS

### 13.1 ADDITIONAL ADMINISTRATIVE AND OPERATIONAL FUNCTIONS

- 13.1.1 General - This section contains the rates and regulations for additional administrative and operational functions that are available in connection with the installation, operation and maintenance of a private line service. The additional functions will be provided only when specifically ordered or requested by a customer.

All of the additional administrative and operational functions are subject to the availability of personnel and equipment. In furnishing these functions, AT&T does not assume any additional responsibility for the through transmission of signals beyond that set forth in 2.1.4 preceding.

- 13.1.2 Testing Functions - At the Customer's request, AT&T will review test results and participate with the Customer in a design review, technical analysis or testing.

- A. Review of Other Access Test Results - At the Customer's request, AT&T will review the results of tests of Customer-provided access which is connected to a private line service. (The Customer must arrange for those results to be furnished to AT&T.) Where appropriate, AT&T will recommend additional tests to be performed on the Customer-provided access.

Review of test results will only be provided when the Customer agrees, in advance, to pay the charges for the review.

1. The rates for Review of Other Access Test Results are:

	<u>USOC</u>	<u>CHARGE</u>	
		<u>Minimum*</u>	<u>Maximum</u>
- Per person, first half hour or fraction thereof	NRZT1		\$147.67
- Per person, each additional half hour or fraction thereof	NRZT2		\$ 80.77

\* See 2.5.2 of this tariff.
