SECTION 5 - CONSUMER SERVICE DESCRIPTIONS

5.10 LOCAL CALLING PLANS (Cont'd)

5.10.5 AT&T One Rate® Local Plan

To participate in this plan, customers must be classified as a residential customer by AT&T and enroll in this plan by October 21, 2007.

Residential customers who subscribe to this plan must have AT&T as their Primary Carrier for all of the following: Local Telephone, IntraLATA Toll, and Long Distance Carrier.

This plan includes the following:

- AT&T Local Exchange telephone service for one telephone line into the customer's home for the customer's main residential telephone account.
- Choice of 2 custom calling features from the following list of features: Caller ID w/Name and Number, Call Waiting, 3-Way Calling, Call Forwarding Variable, Speed dial 8, Speed Dial 30, Repeat Dialing, Call Return.
- Unlimited AT&T direct dialed station local calls that are made from the customer's home, billed to the customer's main residential telephone account, and made without the use of an AT&T Operator or an AT&T automated call processing system.
- AT&T direct dialed station intraLATA toll, in-state long distance calls that are made from the customer's home, billed to the customer's main residential telephone account, and made without the use of an AT&T Operator or an AT&T automated call processing system.

All other types of calls are rated at basic rates unless you are enrolled in another AT&T plan that covers these other types of calls.

AT&T will provide the benefits of this plan until AT&T changes and/or discontinues this plan or the customer notifies AT&T that they wish to withdraw from this plan.
