SECTION 5 - CONSUMER SERVICE DESCRIPTIONS

5.10 LOCAL CALLING PLANS (Cont'd)

5.10.9 AT&T One Rate Multi-Line Unlimited Plan (Cont'd)

If the customer's AT&T Main Residential Billed Account has more than two lines associated with it, an additional Monthly Recurring Charge will apply to each additional line that the customer has chosen for this plan. A total of six lines can be included on this plan. Additional lines are eligible for unlimited direct dial station: local calls within the customer's local calling area, intraLATA toll calls, and in-state long distance calls; and a choice of any custom calling features from a designated list of features.

Customers must agree to receive a billing statement from AT&T for all their AT&T calls, and agree not to receive individual call detail for any calls that are included in the unlimited portion of this offer, such as originating or terminating points called, time-of-day called, or a list of the number of minutes called. Call detail will be provided where a usage rate applies. Rates and service charges for calling card and operator-assisted calls apply.

If at any time the customer selects a carrier other than AT&T as their Primary Long Distance Carrier and/or Primary IntraLATA Toll Carrier, the customer will continue to be billed the monthly rates for this plan, and will continue to receive local service and features provided in this plan, until AT&T is notified by the Customer to transfer to another Local Service Plan, or cancel local service.
