P.S.C. No. 24 -- Telephone
Residential Local Exchange Services
Effective Date: July 21, 2010

Section 2
Leaf No. 51
Revision: 0
Superseding Revision:

SECTION 2 – GENERAL REGULATIONS

2.17 DEFINITIONS (Cont'd)

Network Element

Facility or equipment used in the provision of telecommunication services. Such terms also includes features, functions, and capabilities that are provided by means of such facility or equipment, including subscriber numbers, databases, signaling systems, and information sufficient for billing and collection or used in the transmission, routing, or other provision of telecommunication services.

Customer Premise Equipment

In compliance with Part 64 of the FCC Rules and Regulations, Customer Premise Equipment (CPE) is equipment employed on the premises of a person (other than a carrier) to originate, route, or terminate telecommunications.

PLOC - Primary Local Exchange Company

Local Exchange Service

A service, which permits calling to stations in the Customer's local service area.

Local Service Area

A Local Service Area is the region, comprised of one or more complete Exchange Area(s), within which a Customer can call another station at the rates and charges as specified in this tariff.

Rate Center

A specified geographical location used for determining mileage measurements.
