SECTION 3 - LOCAL CALLING AREA

3.1 LOCAL CALLING AREA DESIGNATIONS

3.1.1 General

The Company offers Local Exchange Service in the State of New York and utilizes the rate centers currently used by the telephone industry as identified in the Local Exchange Routing Guide (LERG) maintained by the North American Numbering Plan (NANP) Administrator. Unless otherwise specified in this tariff, customers served under this tariff will have the same local calling area as they would have if they were provided service pursuant to the NY Verizon PSC No. 2 and PSC No. 3 tariffs. In the AT&T NY Metro LATA, as specified in Section 3.2.1 of this tariff, the local calling area shall be no smaller than the Home Region Calling Area specified in the New York Verizon PSC No. 2 tariff.

Local exchange service will be available to customers served by central offices as defined in Section 3.2 of this tariff.
