SECTION 2 - GENERAL REGULATIONS

2.5 PAYMENTS AND CHARGES (Cont'd)

2.5.4 Payment of Charges - Payment is due upon presentation of a bill for the private line service furnished. A private line service may be discontinued for nonpayment of a bill (see Violation of Regulations, Section 2.8).

2.5.5 Minimum Payment Period and Notice of Discontinuance

- A. Minimum Payment Period - The minimum payment period is the minimum period for which the Customer is required to make payment for the private line service. The charges applicable to the minimum payment period include the recurring charge(s) plus any nonrecurring and/or special construction charge(s) that may apply.

The minimum payment period is calculated from the date that billing started after (1) the initial installation, or (2) a reinstallation after a change.

Minimum payment period charges apply if the Customer discontinues a private line service component before the specified minimum payment period expires. The minimum payment period for a given private line service component is specified in the section of this tariff applicable to that private line service component.

- B. Notice of Discontinuance - AT&T requires notice when private line services are to be discontinued. The required notice period and the application of charges, if any, are specified in the section applicable to the specific private line service.
