SECTION 5 - CONSUMER SERVICE DESCRIPTIONS

5.8 OTHER SERVICES (Cont'd)

5.8.2 Call Blocking Service (Cont'd)

C. Service Limitations (Cont'd)

2. Per-Call Blocking

This feature may not be available on certain types of telephone lines. The types of telephone lines include, but are not limited only to: Party lines, Hotel/Motel Lines, Public Telephone Service Lines. This feature does not prevent the delivery of calling number information through the use of Automatic Number Identification (ANI) technology, including but not limited to the use of such technology in connection with Enhanced 911 Service and in connection with Feature Group D Switched Access Service, or on certain calls to numbers associated with toll-free service; or on calls dialed to the number 311.

3. All-Call Blocking

This feature may not be available on certain types of telephone lines. The types of telephone lines include, but are not limited only to: Party lines, Hotel/Motel Lines, Public Telephone Service Lines. This feature does not prevent the delivery of calling number information through the use of Automatic Number Identification (ANI) technology, including but not limited to the use of such technology in connection with Enhanced 911 Service and in connection with Feature Group D Switched Access Service, or on certain calls to numbers associated with toll-free service; or on calls dialed to the number 311.
