## SECTION 7 - AT&T LOCAL EXCHANGE SERVICES - DESCRIPTIONS

### 7.7 DIRECTORY ASSISTANCE SERVICE

Directory Assistance Service is furnished in the state of New York and allows the Customers and Users of the Company's Local Exchange Services to obtain directory assistance in determining telephone numbers within the LATA in which they subscribe to such service by calling the Directory Assistance operator. It does not apply to directory assistance calls for points outside the LATA in which the caller is located.

#### 7.7.1 Application of Charges

Directory Assistance charges apply on a per-call basis, with a maximum of two requested telephone numbers allowed per call. Requests for information other than telephone numbers will be charged the same rate as shown for the applicable request for telephone numbers. A Directory Assistance call charged to a calling card or to a third number will be billed the appropriate operator charge, plus the charge for Directory Assistance.

#### Exemptions

No charge applies for:

1. Calls for Directory Assistance originating from coin telephones.
2. Calls for Directory Assistance from Users who have requested exemption for the Directory Assistance Charge because they are unable to use telephone directories due to physical or mental limitations. To obtain such exemption, the Customer shall provide the name, address, telephone number and nature of the limitation for each individual requiring the exemption. The Company shall treat information contained on the exemption records as confidential. The Customer shall notify the Company when the need for an exemption no longer exists.
