C. Expiration and Renewal of a Discount Stability Plan (Cont'd)

To continue the same service under monthly rates, no action is required on the part of the Customer. In this case, the Customer will be considered to have satisfied the one-month minimum period.

Notice of Discontinuance provisions, as specified in the appropriate service sections of this tariff, apply if the Customer elects not to renew service.

16.1.6 Installation Charges - Installation charges will not be incurred when existing service components are converted to Custom Government Service. Applicable installation charges will be incurred for new ACCUNET Generic Digital Access, Digital Data Local Channels, Terrestrial T1.5 Local Channel, and Voice Grade Local Channels service components.
