SECTION 28 - AT&T ONE LINE WATS SERVICE*

28.1 DESCRIPTION

28.1.1 General

AT&T One Line WATS Service is a custom switched telecommunications service which permits 1+ dialed, and/or 10288 dialed calling from stations located within the state of New York to any station located in the state of New York. The AT&T One Line WATS Service is an add on to the interstate AT&T WATS Service. The AT&T One Line WATS Service rates and charges apply to calls originated from calling stations associated with the Customer's interstate access line, as provided under AT&T's Business Service Guide. AT&T One Line WATS Service calls are dialed and completed without the assistance of a Company operator, and do not include:

- Person-to-Person calls,
- Collect calls,
- Operator handled conference calls,
- Any other classification of operator handled calls.

* Effective June 26, 1998, AT&T One Line WATS is not available to new or existing Customers. Customers may continue their current service under existing conditions but cannot make any moves, changes or additions to this service.
