25. AT&T PROsm WATS/Plan Q Service in New York

25.2 Regulations (Cont'd)

- C. AT&T PRO WATS/Plan Q Service in New York is provided only where billing capability permits. Customers who select this calling plan may not simultaneously participate in any other Company optional calling plan for intrastate AT&T calls.
- D. The provision of message detail is included in the charges specified in c. following.
- E. Initial and Additional Periods
 - 1. AT&T PRO WATS/Plan Q Service in New York rates are quoted in terms of initial and additional periods.
 - a. The initial period is the unit of time allowed at the rate quoted for connections between given points.
 - b. The additional period is the unit of time used for measuring and charging for time in excess of the initial period.
 - c. If the computed charges (i.e., initial period charge plus additional period charges, if any) for a call include a fraction of a cent, the fraction of a cent is disregarded.
