SECTION 5 - AT&T CUSTOMNETsm SERVICE*

5.1 DESCRIPTION

5.1.1 General

AT&T CustomNet Service is a custom switched telecommunications service which permits Customer dialed outward calling from single or multiple stations in the state of New York. AT&T CustomNet Service includes an AT&T CustomNet Simply Better Pricing Option, an Inward Calling Option, Option S and the AT&T CustomNet Service Flexible Pricing Plan. Intrastate AT&T CustomNet Service is an add-on to the interstate AT&T CustomNet Service and is available only to Customers who subscribe to the interstate service provided in the AT&T Business Service Guide. AT&T CustomNet Service rates and charges apply to calls completed from AT&T CustomNet Service central offices to called stations. Calls originated over special or cellular access will be treated as Service Type 1 locations for the application of tariff rates, charges and regulations.

AT&T CustomNet Service calls are Direct Dial calls completed without the assistance of a Company operator, and do not include:

- Directory Assistance calls
- Conference calls
- Calls to 700, 800 or 900 Special Service Codes

AT&T CustomNet Service is provided on a Customer's existing local exchange telephone number, which is not obtained under this tariff.

sm Service Mark of AT&T

- * AT&T CustomNet Service is not available, either under this tariff or through any AT&T Contract Tariff or contract referencing this tariff to new or existing Customers who did not have it on order before June 24, 2001. Existing Customers with AT&T CustomNet Service in effect or on order prior to June 24, 2001 may continue under existing conditions.
