SECTION 6 - AT&T UNIPLAN SERVICE

6.3 ACCESS (Cont'd)

6.3.1 General (Cont'd)

A. Access to AT&T UniPlan Service

2. Local Exchange Service Switched Access - When local exchange service switched access is required to access AT&T UniPlan Service, the Local Exchange Service Switched Access line must be pre-subscribed to AT&T as the primary interexchange carrier. In the event the Customer changes its primary interexchange carrier to a carrier other than AT&T, AT&T will terminate the Customer's AT&T UniPlan Service on all specified switched access lines when AT&T is notified of the change. Discontinuance will be effective the date the Customer notifies AT&T of the change.

6.4 RATES AND CHARGES
