SECTION 5 - AT&T CUSTOMNET SERVICE

5.3 ACCESS

5.3.1 General

Local Exchange Switched Service access is required to access AT&T CustomNet Service. The Customer is responsible for obtaining the local exchange switched service access line from the Local Exchange Company. The Local Exchange Service Access line must be pre-subscribed to AT&T as the primary interexchange carrier. AT&T CustomNet Service is available via switched access lines in local exchanges served by the Local Exchange Companies specified in the AT&T Business Service Guide; via cellular access provided by a cellular access provider selected by the Customer; and via special access at designated AT&T CustomNet Service Central Office.
