## SECTION 6 - AT&T UNIPLAN SERVICE

### 6.2 REGULATIONS

#### 6.2.1 Provision of AT&T UniPlan Service

AT&T UniPlan Service is provided only where billing capability permits. AT&T UniPlan Service is offered under this tariff subject to the availability of suitable service components furnished by this company or obtained from others.

##### A. Engineering

AT&T UniPlan Service will be engineered to meet established transmission parameters.

##### C. Installation

Installation of AT&T UniPlan Service will usually be made during normal working hours.

##### C. Maintenance

The Company will maintain and repair the service which it provides.

##### D. Mileage Measurements

Mileage for Special and for Switched Access for AT&T Outbound UniPlan Service calls is the distance in airline miles measured between: the V&H coordinates for the rate centers associated with the originating and terminating stations.

For APN numbers, mileage will be calculated from the AT&T Central Office. Originating APN calls are measured from the V&H coordinates of the originating AT&T Central Office and terminating APN's are measured from the V&H coordinates of the terminating AT&T Central Office.
