SECTION 3 - GENERAL RULES AND REGULATIONS, (Cont'd.)**3.4 Payment for Service Rendered, (Cont'd.)****3.4.6 Customer Overpayments**

The Company will provide interest on Customer overpayments that are not refunded within 30 days of the date the Company receives the overpayment. An overpayment is considered to have occurred when payment in excess of the correct charges for service is made because of erroneous Company billing. The Customer will be issued reimbursement for the overpayment, plus interest, or, if agreed to by the Customer, credit for the amount will be provided on the next regular Company bill. The rate of interest shall be the greater of the Customer deposit interest rate or the Company's applicable Late Payment Charge.

Interest shall be paid from the date when overpayment was made, adjusted for any changes in the deposit rate or late payment rate, and compounded monthly, until the date when the overpayment is refunded. The date when overpayment is considered to have been made will be the date on which the Customer's overpayment was originally recorded to the Customer's account by the Company.

3.5 Installation Service

The Company provides a Half-Day Installation Plan, which offers Customers half-day appointments (i.e., morning/afternoon or a rolling interval) for connection of Commission regulated service involving a Customer premise visit. In the case of any inconsistency with the regulations in Part 609 of 16 N.Y.C.R.R. for installation service, the rules of the Commission shall prevail.
